Return Policy:

Exchanges provided on defective CDs or software only. No returns. For equipment, refer to the manufacturer's warranty. Your product invoice is required for processing your return.

Equipment Requirements : You must use approved headphones (for complete list see http://www.advancedbrain.com/store_audio_headphones.asp) and acceptable CD player. Component system, quality bookshelf and portable CD Players with MSRP of \$90 and above are fine. Sony Diskman portable units are preferred for their quality and volume-limiter-switch which protects hearing. Any new Sony model will suit, regardless of MSRP since Sony now equips all units with high quality digital analog (DA) converters. Boomboxes and some bookshelf units are not approved for use with this program.

Note:

- \$25.00 fee applies to any check or credit card returned for insufficient funds
- If this is a corporate purchasing or business card please enter your customer accounting code
